- **\$6 billion** in support by providing **five months** of interest and penalty relief for businesses to file and make payments for the majority of provincially administered taxes.
  - i. Beginning **April 1, 2020**, penalties and interest will not apply to Ontario's businesses that miss any filing or remittance deadlines under select provincially administered taxes. This will continue for a period of five months, up until **August 31, 2020**, under the following provincially administered tax programs:
    - Employer Health Tax;
    - Tobacco Tax;
    - Fuel Tax;
    - Gas Tax;
    - Beer, Wine and Spirits Taxes;
    - Mining Tax;
    - Insurance Premium Tax;
    - International Fuel Tax Agreement;
    - Retail Sales Tax on Insurance Contracts and Benefit Plans; and
    - Race Tracks Tax
- **\$1.9 billion** in support by the **Workplace Safety and Insurance Board (WSIB)** allowing employers to defer payments for up to **six months**.
- <https://www.wsib.ca/en/financialrelief>
  - i. All employers covered by the WSIB's workplace insurance are automatically eligible for the provisions of the relief package and can defer premium reporting and payments until **August 31, 2020**.
  - ii. They will not be required to opt in to receive this benefit.
  - iii. There will be no negative consequences for businesses who defer premium reporting and payments.
  - iv. The WSIB will continue to fully cover workers at eligible workplaces.
  - v. The deferred premiums will amount to an average **\$1,760** for approximately **275,000 Ontario businesses**.

**Revision Update: March 27, 2020 @ 4:30PM**

---

- vi. Additionally, the government reduced costs to employers by deploying a new rate framework and via the elimination of the unfunded liability charge, putting more than **\$2 billion** back into the economy.

**III. Support for Individuals & Families**

- o Providing a one-time payment of **\$200** per child up to 12 years of age, and **\$250** for those with special needs, including children enrolled in private schools.
- o Proposing to **double** the Guaranteed Annual Income System (GAINS) payment for **low-income seniors for six months**.
  - i. Proposal to double the Guaranteed Annual Income System (GAINS) maximum payment to \$166 per month for individuals and \$332 per month for couples, for six months starting in April 2020
- o Provides approximately **\$5.6 billion** for electricity cost relief programs in 2020-21 (See Bullets 3 for detail on business accounts and Bullet 7 for residential details)
- o **\$9 million** in direct support to families for their energy bills by expanding eligibility for the Low-income Energy Assistance Program (LEAP) and ensuring that their electricity and natural gas services are not disconnected for nonpayment during the COVID-19 outbreak.
- o Expanding access to the emergency assistance program administered by Ontario Works
- o Providing **six months** of Ontario Student Assistance Program (**OSAP**) loan and interest accrual relief for students
- o **\$26 million** to Indigenous peoples and communities, including emergency assistance for urban Indigenous people in financial need
- o Enhancing direct funding by **\$148 million** for charitable and non-profit social services organizations such as food banks, homeless shelters, churches and emergency services

**IV. Joint Support for Both Individuals & Businesses**

- o Over **\$1.8 billion** in support by deferring the upcoming **June 30** quarterly municipal remittance of **education property tax** to school boards by 90 days, which will provide municipalities the flexibility to, in turn, provide property tax deferrals to residents and businesses
- o The government is postponing the planned property tax reassessment for 2021.

**COVID-19 – Provincial Government – Support for Businesses**

- The Provincial government is reaching out on a daily basis to leaders at businesses big and small, including at our financial institutions, as well as unions, to ensure we have the latest information, and that there is an open line of communication as the government works to address COVID-19's impact on the economy.
- 
2. Stop the Spread Business Information Line Now Open at 1-888-444-3659 – **Currently Active**
    - The province has launched a toll-free line **1-888-444-3659** to provide support to Ontario businesses who have questions about the province's recent **emergency order** to close at-risk workplaces.
    - Help is available from Monday to Sunday, from 8:30 a.m.—5:00 p.m.
    - Businesses who have questions about closures of at-risk workplaces or how emergency measures impact their business or employment can call the **Stop the Spread Business Information Line**.
  3. March 24<sup>th</sup> - Off-peak Time-Of-Use (TOU) electricity rate for small businesses, and farm customers – **Currently Active**
    - For a **45-day period**, the government is working to suspend time-of-use electricity rates, holding electricity prices to the off-peak rate of **10.1 cents-per-kilowatt-hour**.
    - This reduced price will be available **24 hours per day, seven days a week** to all time-of-use customers.
    - Customers will see rate reductions of over **50 per cent** compared to on-peak rates.
    - This discount will be applied automatically to electricity bills without the need for customers to fill out an application form.
    - Depending on billing cycles, some customers will see these changes on their next electricity bill. TOU customers whose billing cycle ended before their local distribution company implemented this change will receive the reduced rate as a credit on a future bill.
  4. March 21<sup>st</sup> - Launch of Ontario Together Website **Currently Active**
    - [\*\*Ontario Together\*\*](#), a new website that will help businesses and their employees work with the province to meet the challenges of COVID-19.

**Revision Update: March 27, 2020 @ 4:30PM**

- The website will identify the province's supply challenges and solicit ideas and advice from Ontario's business and manufacturing communities on how the government can work together to meet the need.
  - Through the portal, companies will be able to submit proposals for the government to procure required goods and services and share creative solutions quickly.
  - <https://www.ontario.ca/page/how-your-organization-can-help-fight-coronavirus>
5. March 19<sup>th</sup> - Municipal Emergency Act, 2020 - Supply Chain - Temporary Changes to Municipal Noise By-Laws: **Currently Active**
- The new legislation ensures that for the near future, the delivery of goods to Ontario's businesses and consumers isn't impacted by municipal noise by-laws that may unintentionally be impeding such deliveries when they are most urgently needed.
  - The new legislation will waive local noise by-laws allowing delivery trucks to operate overnight.
  - These temporary changes will allow businesses to transfer goods between their warehouses and retail stores 24 hours a day, seven days a week.
6. March 19<sup>th</sup> - Commercial Vehicles - Extension of validation Periods for Driver, Vehicle and Carrier Products: **Currently Active**
- New regulations include extensions for driver licences, licence plate validation, Ontario Photo Cards, and **Commercial Vehicle Operator Registration certificates**, among others.
  - The Ministry of Transportation is also automatically extending the due dates for medical or vision reports
  - This extension will be in place until such time that, based on the advice of Ontario's Chief Medical Officer of Health and public health officials, the current situation improves.

## COVID-19 – Provincial Government – Support for Individuals

- The Province is working with partners across the healthcare system, from public health to hospitals and community care, to do everything possible to contain the virus and ensure that the system is prepared to respond to any scenario.

**Revision Update: March 27, 2020 @ 4:30PM**

9. March 23<sup>rd</sup> - \$200 million in social services relief funding - **Currently Active**
  - The Ontario government is providing **\$200 million** in social services relief funding to help protect the health and safety of the province's most vulnerable people.
  - The province will be providing municipalities and organizations that administer social services with funding to support them in their response to COVID-19.
  - The funding will help municipalities and social service providers such as shelters, food banks, emergency services, charities and non-profits continue to deliver their critical services, hire additional staff, and find

**Revision Update: March 27, 2020 @ 4:30PM**

---

ways to promote social distancing and self-isolation to keep clients safe and healthy.

- The funding will also help individuals who do not qualify for emergency financial supports under federal programs.
- The government is putting in place an expanded Emergency Assistance program administered through Ontario Works (OW) to cover these individuals' needs such as food, rent, informal childcare, and services.

**10. March 22<sup>nd</sup> - Ontario to Open Select Child Care Centres across the Province**

- In order to support health care and frontline workers during this COVID-19 outbreak, Ontario plans to exempt certain child care centres from the order to close all licensed child care centres.
- Health care and other frontline workers, including doctors, nurses, paramedics, firefighters, police, and correctional officers, will be able to access safe, local emergency child care.
- Once emergency child care centres open, a list of locations will be made available on [ontario.ca/coronavirus](https://ontario.ca/coronavirus).

**11. March 20<sup>th</sup> - Ontario is waiving the three-month waiting period for Ontario Health Insurance Plan (OHIP) coverage**

- Additionally, the province will cover the cost of COVID-19 services for uninsured people who do not meet the criteria for OHIP coverage.

**12. March 20<sup>th</sup> - Province Launches First Phase of the Learn at Home Portal:**

**Currently Active**

- Launch of the first phase of [Learn at Home](#), a new online portal that will provide resources for families so students can continue their education while schools are closed due to the ongoing COVID-19 situation.
- Learn at Home offers all students high-quality, made-in-Ontario math and literacy resources, created by Ontario-certified educators, in both English and French.
- The at-home activities offered provide quick and easy access to some of Ontario's best online **kindergarten to grade 12** learning resources produced by Ontario College of Teachers (OCT) Educators.
- For students who do not have access to a computer, work is underway, in conjunction with school boards, to provide the necessary technology to everyone who needs it.
- Ontario public schools will be closed from **March 14 through to April 5, 2020** to contain the spread of COVID-19. Similarly, private schools and licensed child care centres will also be closed until **April 5, 2020**.

**Revision Update: March 27, 2020 @ 4:30PM**

---

13. March 19<sup>th</sup> - Extension of validation Periods for Driver, Vehicle and Carrier Products, Services and Health Cards: **Currently Active**

- Ministry of Transportation and Ministry of Health, in cooperation with the Ministry of Government and Consumer Services and ServiceOntario, is extending the validity period of driving products, services and health cards.
- These changes reduce the need for in-person visits to ServiceOntario, International Registration Plan offices and DriveTest centres during the COVID-19 outbreak, helping to promote social distancing and contain the spread of the virus.
- These new regulations include extensions for driver licences, licence plate validation, Ontario Photo Cards, and Commercial Vehicle Operator Registration certificates, among others.
- Expiring and expired health cards will continue to provide access to health services.
- The Ministry of Transportation is also automatically extending the due dates for medical or vision reports
- This extension will be in place until such time that, based on the advice of Ontario's Chief Medical Officer of Health and public health officials, the current situation improves.

14. March 17<sup>th</sup> - Ontario's First Stage of the COVID-19 Emergency Relief Fund: **Effective Immediately - Supporting Legislation to Follow**

- Ontario is investing up to **\$304 million** to enhance the province's response to COVID-19 by providing the following:
  - I. **\$100 million for increased capacity in hospitals** to assist with the effective treatment of COVID-19 patients both in critical care and medicine beds.
  - II. **\$50 million for more testing and screening through public health**, including additional funding to support extraordinary costs incurred to monitor, detect and contain COVID-19 in the province. This includes contact tracing, increased laboratory testing capacity and home testing.
  - III. **\$50 million to further protect frontline workers, first responders and patients** by increasing the supply of personal protective equipment and other critical supplies and equipment to protect them.
  - IV. **\$25 million to support frontline workers** working in COVID-19 assessment centres, including the creation of a new fund to provide respite care, child care services and other supports as they are needed.
  - V. **\$50 million for long-term care homes** to support 24/7 screening, additional staffing to support infection control and additional supplies.

**Revision Update: March 27, 2020 @ 4:30PM**

---

- VI. **\$20 million for residential facilities in developmental services, gender-based services and protective care for children and youth** to support additional staffing, respite for caregivers impacted by school closures, personal protective equipment and supplies and transportation costs to minimize client exposure and to support social distancing, as well as additional cleaning costs.
- VII. **\$5 million to protect seniors in retirement homes** through increased infection control and active screening procedures.
- VIII. **\$4 million for Indigenous communities** to support transportation costs for health care professionals and the distribution of critical supplies.

**15. March 16<sup>th</sup> - Job Protection for Workers during the COVID-19 Pandemic:**

**Effective Immediately - Supporting Legislation to Follow**

- To protect Ontario's workers during the COVID-19 pandemic, the province is introducing legislation to protect Ontario's workers.
- ***The Employment Standards Amendment Act (Infectious Disease Emergencies), 2020, provides job-protected leave for employees unable to work for the following reasons:***
  - i. The employee is under medical investigation, supervision or treatment for COVID-19.
  - ii. The employee is acting in accordance with an order under the Health Protection and Promotion Act.
  - iii. The employee is in isolation or quarantine in accordance with public health information or direction.
  - iv. The employer directs the employee not to work due to a concern that COVID-19 could be spread in the workplace.
  - v. The employee needs to provide care to a person for a reason related to COVID-19 such as a school or day-care closure.
  - vi. The employee is prevented from returning to Ontario because of travel restrictions.
- The legislation makes it clear that an employee is not be required to provide a medical note if they take the leave.
- The measures are retroactive to January 25, 2020, the date that the first presumptive COVID-19 case was confirmed in Ontario.
- Many workers will be eligible for Employment Insurance sickness benefits.
- The legislation does not apply to people in sectors that fall under federal jurisdiction, including employees working for banks, airports, inter-provincial and international rail, and federal crown corporations
